

## Baby Fuse

Design by: Ilan Mugrabi

### Technical characteristics

|                  |                               |
|------------------|-------------------------------|
| Type:            | Wall                          |
| Ip protection:   | 20                            |
| Bulb:            | LED - PCB                     |
| Power (w):       | 11w                           |
| Lumen:           | 780lm                         |
| Voltage (v):     | 110V/220V                     |
| Led color:       | 2700                          |
| Units per box:   | 1                             |
| Net weight (kg): | 0.4 Kg                        |
| Dimmable:        | Yes                           |
| Material:        | Aluminum                      |
| Finishing:       | White/Copper/Brass/Dark gray* |
